

The *Cape Cod Marine Trades Association (CCMTA)* is NOW BOARDING! If your company participates in the maritime industry we invite and encourage you to apply for membership today.

The CCMTA is actively involved with growing and supporting all facets of boating on Cape Cod & the Islands. The Association offers many educational opportunities/training seminars, round-table discussions, net working opportunities as well as hosts social gatherings throughout the year in addition to supporting local charities and schools. Our volunteers work tirelessly to keep our members apprised of and lobby regarding legislative, compliance, and human resource issues that impact our businesses and our close ties to attorneys & consultants that specialize in these areas are invaluable. The CCMTA also produces & manages the Boatbuilder's Show in Hyannis annually.

To join, please click on - print an application. Once completed with the required endorsements, submit it to us for consideration with the required fees as detailed below. For a listing of our current members for sponsorship please click - [Current Members](#). Any questions should be directed to our Membership Chair – Cliff Berner @ 508-945-0736.
